Ken Sugden, General Manager  
Flathead Electric Cooperative  
2510 US Highway 2 East  
Kalispell, MT 59901

Dear Mr. Sugden,

The NW Energy Coalition would like to congratulate Flathead Electric Cooperative for receiving a well-deserved Excellence in Energy Efficiency Award from the Bonneville Power Administration. We are excited that FEC plans to continue and expand upon its recent energy efficiency achievements.

Flathead's tiered-rate structure and on-bill financing are great ways to incentivize consumers' energy efficiency efforts. Furthermore, Flathead's willingness to self-finance a large portion of the utility's overall efficiency program illustrates its dedication to energy efficiency as a go-to resource. BPA was right on the mark in presenting this award to Flathead.

In addition, it was a pleasure having David Bopp represent Flathead at our recent conference in Kalispell. The discussion on the future of the Flathead Valley was exciting and featured extensive interaction between panel members and the audience.

Congratulations. We look forward to working more with Flathead Electric Coop in the future.

Sincerely,

Sara Patton  
Executive Director
